## President's Message

Hello everyone,

It was so nice to see so many happy faces at our recognized show. I hope all of you are enjoying the summer and the beautiful weather we have been having. Thank you to all of the sponsors, volunteers, and competitors for making our recognized show set in the bucolic hills of Litchfield County a great success. The new venue proved to be quite popular and filled up very quickly with a total of 97 entries and over 200 rides. It attracted everyone from seasoned show veterans to the novice who is trying to get more used to the recognized show scene. The light morning rain that we had watered the rings just the right amount to make for some very nice footing. It was wonderful to see smiles on so many faces and that all were having a good time. That is what makes all the hard work and preparation worthwhile. The central location of the show seemed to be very attractive to competitors from all over New England, New York, New Jersey, and Pennsylvania. We have received lots of positive feedback about the show. I would really love all the feedback I could get so if you have any suggestions or comments please e-mail me and let me know your thoughts. We will start planning now for next year so please make your ideas or suggestions known so that it may help us with our planning.

On another note we have been severely lacking in CDA volunteers to help with our events. This size show was perfect for the amount of volunteers that we had. If our members want larger shows in the future we will need more people to volunteer. We can not run a show without volunteers and need a great many more if we wish to expand. We greatly appreciate the time our volunteers give us and recognize the fact that we can not put on shows or clinics without them. Offering your time to volunteer matters and it can help us to offer bigger and better shows and programs. So please volunteer any time that you can spare to help with these events. We need people to help set up and take down rings, help with parking, scribe, score, run...and the list goes on. Please contact Kari as soon as you can as our volunteer base will dictate the size of our shows and activities for next year. Help strengthen our GMO and assist in the growth of our sport by volunteering a little spare time.

As you can see from Fern's update in this issue on our GMO Challenge is growing in strength and number. NEDA has joined us and we are very happy with their support as well as the support of all of the other Region 8 GMO's who are all joining together to raise funds for this very important cause. Our Juniors and Young Riders greatly appreciate the support.

Bye for now,  
Chris
